## TEMPORARY EMERGENCY COVERAGE

This Temporary Emergency Coverage does not provide any coverage except as specified below and is subject to the fulfillment of all the terms and conditions. It is only valid when the full modal premium selected is included with the Application.

### AMOUNT OF TEMPORARY EMERGENCY COVERAGE

From the time the Application and total premium for this Policy are received by the Insurer, Bupa Insurance Company, through the effective date of the Policy, or thirty (30) days from the date said Application is received by the Insurer, whichever date comes first, the Insurer agrees to insure all the proposed Insureds (including spouse and children) for covered medical expenses resulting from accidental bodily injury incurred while this Temporary Emergency Coverage is in effect, up to a maximum benefit of twenty-five thousand dollars (\$25,000) per Policy. This temporary accident coverage is subject to and governed by the respective policy terms, provisions, and exclusions which would have been applicable, had the Policy been in effect on the date of the accident of the proposed Insured.

This benefit is subject to the deductible for the plan chosen by the proposed Insured and does not apply if the Application is declined for any reason or the Policy is rejected by the Insured after it has been issued. The injuries sustained in an accident while the Application is being evaluated cannot be a reason to decline an Application.

### CONDITIONS THAT MUST BE MET FOR THE TEMPORARY EMERGENCY COVERAGE TO BE EFFECTIVE

1. Application duly completed.
2. All medical and non-medical requirements and any other information requested by Bupa are received in our offices.
3. The proposed Insured must be insurable according to the Insurer's underwriting guidelines.
4. The premium sent with the Application must equal or exceed the first modal minimum premium and must be in US currency payable to Bupa Worldwide Corporation.
5. Said premium must be good and collectible if paid by check, draft, credit card or money order before the coverage goes into effect.
6. The Policy is not declined by the Insured after it has been issued.

All the statements and answers included in this Application are true, complete and correctly stated to the best of my knowledge and shall be the basis for any policy issued on this Application. Any omissions or incorrect or incomplete statements may result in the denial of a claim, the modification of the contract, or the rescission of the insurance Policy, pursuant to the terms and conditions of the Policy.

All the above conditions must be met in order for the temporary coverage to be in effect. The temporary coverage will terminate when the coverage applied for is effective, denied, or when coverage other than applied for is offered. The temporary coverage is valid for 30 days from the date of receipt of the Application, and premium, and will terminate thereafter.

The Producer, representative, or agent does not have authority to waive or alter any of the conditions, cannot bind Bupa Insurance Company to accept the risk, and cannot change any of the terms of this document. This coverage is not valid until payment made to Bupa Worldwide Corporation is rendered and the funds are deposited. I, therefore, authorize Bupa to charge or deposit my premium payment in order to receive this coverage.

I have read and understood all the conditions contained in this document.
